1. **Agenda:**

1.1 Senior Coach

Hannah Shearwood has shared that due to increased workload and completing a PHD in Newcastle, she is unable to continue as Senior Coach after October half-term.

Coaches present agreed to take it in turns to support Hannah when she is coaching between 8 – 9pm on Thursday training hoping that with the extra support, Hannah Shearwood would consider staying.

Sheffield Concord is still in need of an Assistant Coach.

ACTION

Coaches set up a rota to support Thursday senior training.

Circulate advert for Assistant Coach and use all platforms available including England netball coaching.

1.2 Net4All:

Jo Wright shared that they are looking at other sources of funding. Due to how the constitution is worded, they are unable to apply for a lot of additional funding. The club can either add some wording to the constitution or add an addendum, written as a policy statement, which explains they are targeting inequalities.

ACTION:

Jo Wright to write up an addendum to allow the club to apply for additional funding.

Jo Wright shared that the Net4 All taster day was an amazing success.

Jo Wright attended a sporting lunch and was delighted to announce that Net4All has been identified as 1 of the 4 charities to receive any money from fundraising. She is waiting to find out how much they will receive.

A Net4All email account has been created: net4allscnc@gmail.com

1.3 1st Aid
